Seppo Appelqvist
Physiotherapist

DATE

1-2.12.2023

DURATION

16 hours

LOCATION

Miestentie 7, 02150 Espoo | FI

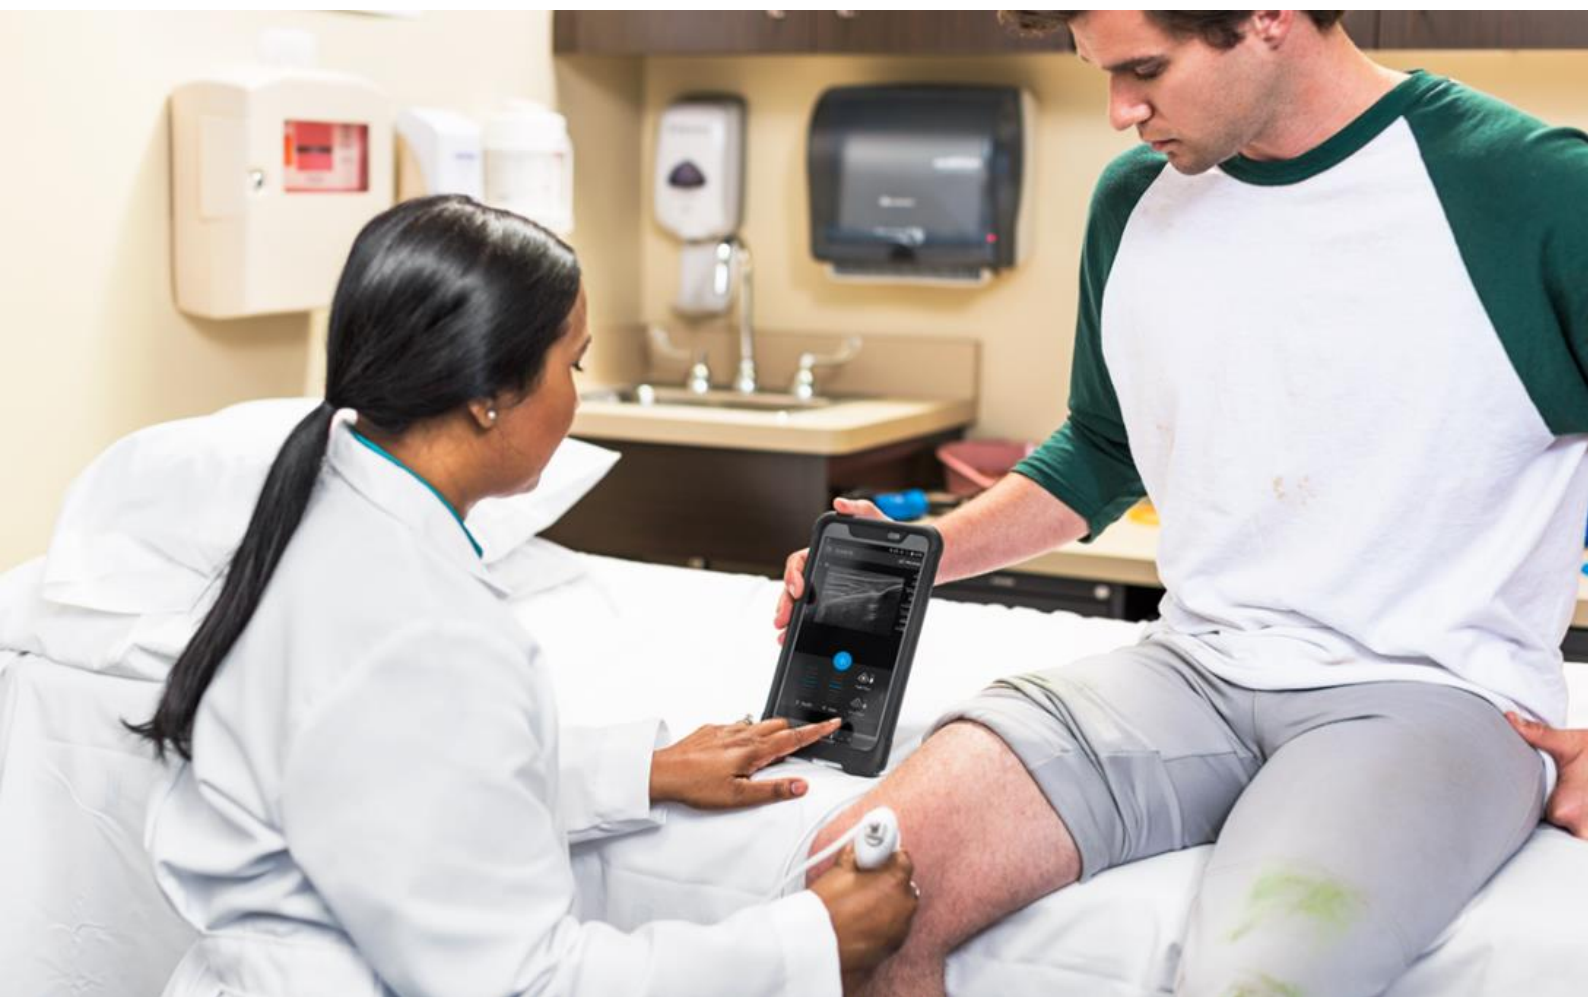

PRICE

379 Eur

LANGUAGE

En

During the workshop, participants will learn to perform ultrasound and independently interpret anatomical structures. The examination will take place with live models using modern ultrasound equipment to maximize the practical part. Professional lecturers will coordinate the work of all participants with convenient experience in muscle and skeletal diagnostic ultrasound.
