16.08.2024

DURATION

8 hours

LOCATION

Kuortaneenkatu 2, 00510
Helsinki | FI

PRICE

199 Eur

LANGUAGE

En

Welcome to our one-day seminar on shoulder musculoskeletal ultrasound, where we'll combine informative lectures with hands-on practical sessions. Throughout the day, we'll explore the principles and applications of ultrasound imaging in diagnosing shoulder pathologies. By the end of the seminar, you'll be equipped with valuable skills to enhance your clinical practice in shoulder ultrasound assessment.
